Demerit Panel Adds Four New Members to Serve for '58-'59

With the addition of four new members, the Demerit Panel for next year is now complete. Seven Shakerites comprise this panel, one of the most important and respected student groups in the school.

Next year's demerit panel includes: left to right, front row: Nancy Stark, Peggy Kennedy, Kathi Calvin; second row, Al Benson, Dick Bell, Dick Leukart, Tom Webb.

The recently appointed members from the junior class are Al Benson and Peggy Kennedy. Representing the sophomore class are Kathi Calvin and Dick Leukart. The incumbent juniors who will remain on the panel next year are Nancy Stark and Tom Webb. Leading the group is the school vice president, Dick Bell. The group's adviser is Mr. Morris.

Selecting four of the top students in the school was the difficult task of the present panel, the deans, and the class counselors. All juniors and sophomores were eligible for selection.

Compiling a record of each student's demerits and talking personally with those students who have accumulated seven or more demerits constitute the greater part of the panel's work.

To help and to correct is the philosophy upon which the panel is based. Disciplinary measures such as suspension and seventh period study hall are recommended only when nothing else has proved successful.

Each student begins the year with a clean slate. A demerit is removed from one's record for every month that one does not receive a demerit.

The new Demerit Panel is planning to enforce a new detention system next year. Under this system deans would be in charge of detention groups every day after school. This penalty would be used as a middle step between suspension and demerits. The plan has been passed by the Student Council, but must be approved and administered by the faculty.

Savoca Elected Junior Prexy; Wolland Heads Senior Class

Great interest and excitement were aroused in the sophomores and juniors as they elected their class officers for next year.

On May 12 the elections were held in each homeroom. In the sophomore class, the president for next year will be Charles Savoca; vice-president, Roger Aaron; secretary, Lola Ham; treasurer, John Hibschman; social chairman, Judy Forward. In the junior class Mike Wolland is president, Paul Henning, vice-president; Pat Sanson, secretary; Bill Stillwell, treasurer; and Lee Sanson, social chairman.

To be eligible for a class office, one must have at least a "C" average, and be within the limits of the point system established by the Student Council.

The new electoral system used by the classes was part of John Ferguson's presidential platform. First, the homerooms nominated one person for each office. Each of the names was then put on the ballot with the exception of those who were found to be ineligible. When a person was nominated for more than one office, he was put on the slate in the higher office. Then the sophomores and juniors voted for one person for each office. The two names with the greatest number of votes were then put on the final ballot.

Mrs. Louise Keating and Louis Sturm were in charge of the junior and sophomore elections, respectively. Although this system might have been too cumbersome —with ten nominations for president, seven for vice-president, fourteen for secretary, six for treasurer, and eleven for social chairman in the junior class, alone —Mrs. Keating said that it "worked out smoothly."

Chris von Baeyer Takes Prize in Music Contest

Congratulations go to Chris von Baeyer who won first prize of 50 dollars in the American String Teachers' Association Contest held at Oberlin College on May 11. Chris competed against high school students from the entire state. He received the prize for his playing of Brahms' 1st Cello Sonata in E Minor.

Dr. Sharp Addresses Graduating Seniors

Commencement of the Class of 1958 of Shaker Heights High School will be held in Severance Hall, with Superintendent William Slade presiding, Dr. Harold Cooke Phillips delivering the invocation, and Dr. Paul F. Sharp presenting the address.

The program will open at 8:30 p. m. on Friday, June 6, with the traditional processional, followed by Dr. Phillips' invocation. Dr. Phillips is minister of the First Baptist Church. The A Cappella Choir will sing *Grief to Glory* and *Prayer Response*. Presentation of the Class will be made by Principal Russell H. Rupp, and diplomas presented by Laurence T. Mayher, president of the Board of Education, and Mrs. Frank A. Downes, vice president. The program will close with the Alma Mater and recessional.

Dr. Sharp will speak on the subject "Better Mousetraps and Better Men." President of Hiram College since July, 1957, Dr. Sharp has been member of the executive committees of several historical societies, has written articles for scholarly journals, and has held a Fullbright award to Australia, where he was lecturer at the University of Sydney and Melbourne. He is the author of three books including *Whoop-Up Country*, for which he has received awards as the most important contribution to state and local history in western region for 1955.

Dr. Paul F. Sharp, President of Hiram College and former Fullbright Award winner, addresses Seniors and parents on the topic of "Better Mousetraps and Better Men."

Gristmill

Pages 3 and 4 of this issue are devoted to pictorial coverage of senior activities, prepared by the new Gristmill staff, and to the Shakerite's Senior Directory. These pages are intended as a supplement for the Gristmill. Cut off the strips of ads, fold, and paste or clip on your yearbook.

DiGiovanni and Ferguson Win Senior Citizenship Awards

At Shaker Heights High School's annual Honor Day Assembly held Tuesday, May 27, at 9:30 a. m. in the high school stadium, the 1958 Shaker Square Association Trophies were awarded to Mary Jane DiGiovanni, daughter of Mr. and Mrs. Leonard DiGiovanni of 3724 Menlo Road, Shaker Heights, and John Ferguson, son of Mr. and Mrs. Howard Ferguson of 20700 Almar Drive, Shaker Heights.

Six seniors were nominated for the Citizenship Awards. The four runners-up received Book Awards given by the alumni associations of Connecticut College and Dartmouth College and by the Shaker Heights Dads' Club.

Recipients of the Connecticut College and Dartmouth College Awards are Irene Stifel, daughter of Dr. and Mrs. Richard Stifel of 2700 Southington Road, Shaker Heights, and James Slavin, son of Mr. and Mrs. William N. Slavin of 3614 Townley Road, Shaker Heights.

Seniors receiving the Dads' Club Awards are Ellen Sherby, daughter of Mrs. Hyatt Reitman of 18501 Blvd., Shaker Heights, and Jon Krupnick, son of Mrs. Jack A. Krupnick of 3299 Chalfont Road, Shawer Heights.

The Citizenship Awards, highest honor a Shaker High student can achieve, are made each year to one senior girl and one senior boy considered by vote of their classmates to excel in scholarship, in character, and in service to the school.

In February John, Irene, and James were among 36 seniors awarded gold Scholarship Keys for maintaining a better than B+ average from the ninth through the first semester of the twelfth grade.

Mary Jane has been Class secretary in sophomore and senior year; a member, treasurer in junior year, and president in senior year of the Girls' Leaders' Club; accompanist in sophomore year and treasurer in junior year of A Cappella Choir; and president in sophomore year of Y-Teen. She has been active in girls' intramural sports and has worked in the summer of 1957 for the Higbee Company. In September she will attend the University of Michigan.

John has held this year the Student Council presidency, the high school's most important office. He has been Class vice-president in sophomore year; member and editor in junior year of the high school newspaper, *The Shakerite*; member of several standing committees of the Student Council in sophomore year; member and captain of the Booster Force in sophomore year; and member of the varsity swimming team in junior and senior year. He has been a *Plain Dealer* newsboy, camp counselor, and Shaker recreation department tennis court attendant. In September he will attend Williams College.

John Smith Wins Annual Scott Memorial Award

Winner of this year's Roy Scott Memorial Award to the top scholar in Shaker Heights High School's senior class is John Smith, son of Mr. and Mrs. John H. Smith of 3141 Warrington Road, Shaker Heights.

The award was announced at the high school's annual Honor Day Assembly held Tuesday, May 27, at 9:30 a. m. in the high school stadium.

The Memorial Award of a $100 government bond was established three years ago at Shaker by the Van Aken Center Association in memory of Roy Scott, first president ond one of the organizers of the Center.

In February John was among 36 seniors awarded gold Scholarship Keys for maintaining a better than B+ average from the ninth through the first semester of the twelfth grade.

John has been Student Council athletic treasurer this year; member of Student Council standing committees in junior and senior year; and reporter all three years for the high school newspaper, *The Shakerite*. He has been active in intramural sports and has worked for the Higbee Company. In September John will attend Harvard University.

Two Juniors on New Central Committee

Linda Blondis

Something new has been added to the Central Committee for 1958-59. For the first time, two juniors will be on the Committee.

The change in composition is to encourage continuity. As seniors, these members will be able to guide the committee and employ the benefits gained by their predecessors.

The membership of the Committee, the governing body of Honor Study Hall, has been increased from six, as in previous years, to seven. This was necessary because of the increased enrollment of the school and thus also of Honor Study Hall.

Announced at the Honor Day Assembly, May 27, was the new president of the Central Committee-Ernest Linsay of homeroom 133. Other members are: Vice-president, David Beeson,; Director of Admissions, Peter Slavin; Secretary, Marcia Horak; Secretary, Sherelynne Friedman. The two junior representatives are Charles Savoca, Student Council Representative; and Anita Smith, Secretary.

Retiring president is John Tomasch. Other members of this year's committee are Polly Ham, Pat Tenbeau, Carol Fox, and Tom Lenhart.

A Senior Looks Back

By Gary Schwartz, Speaking for the Seniors

The voice with which we count off the remaining days of school contains an inward, hidden tone of sadness. We may not admit it, but all of us realize that a vital and memorable part of our lives is drawing to a close, all too swiftly for us to mourn its passing properly. We shall never forget our high school days. Never again will counselors be so lenient and so sincerely interested in our petty problems. Perhaps never again shall friends be so numerous, shall our days be so near an unbroken chain of social and intellectual adventure.

We haven't always been happy. When angered, we have spoken out through various media or just smoldered in private. And despite outward airs, many of us have found that the maturing process which takes place in high school is sometimes difficult. However, the friendly, personal atmosphere of Shaker High—of the students, the faculty, and the administration—has often served as an effective antidote to our personal troubles.

The greatest tragedy would be if we had wasted our high school lives. Shaker has offered us every opportunity for improvement and advancement in every field. It is for this that we are deeply indebted. In our voices there is sorrow but no regret: our time has been well spent.

Outstanding Seniors of 1958 Acclaimed at Honor Assembly

Senior girls in pale pink, blue, and yellow dresses swished down the aisle with their partners, thus beginning the traditional Honor Day Assembly.

On May 28, 1958, after three years of fun and learning, the senior class took part in the first of many festivities that preceded graduation. This assembly meant the end of high school days, but also the beginning of new experiences.

The assembly started with the salute to the flag. The president of the Student Council, John Ferguson, then introduced the president of the senior class, Jon Krupnick, who gave a farewell address and presented the senior gift to the school. David Meil, Gristmill Editor-in-chief, then presented Mr. Rupp with the first copy of the 1958 Gristmill. This was followed by a vocal solo. The highlight of the program was the presentation of the senior awards and honors by Mr. Rupp. These included departmental achievement awards, college scholarships for seniors, citizenship awards to the two outstanding members of the senior class, and the Eugene Branson, Chuck Armington, and Jack Sload memorial athletic awards. This presentation was followed by a piano solo. John Tomasch, president of the Central Committee, then announced next year's Committee, and Robbie Cox, chairman of the 1957-58 Demerit Panel, announced next year's Panel. Jim Slavin, president of the present Social Council, introduced next year's officers. Lawrence Osborn, president of next year's Student Council, made a short speech. The assembly was concluded with the singing of the Alma Mater and the recessional.

"Years may dim our recollections;
Time its change may bring;
Still thy name in fond affection,
Shaker High we sing."

Shaker Heights High School and the experiences shared here will always be remembered by the senior class of 1958.

Sportive Seniors Rollick After Honor Assembly

Judy Hyman

Fried chicken, Gristmills and entertainment were the ingredients which made up the seniors' last social function to be held at the school.

Held on May 27, immediately following the Honor Assembly, the senior Luncheon took place in the Girls' Gym, the Social Room, and on the school's athletic field. The Seniors were permitted to go home and change into sport clothes before the affair began.

The luncheon began at 12:30 with a box lunch that contained fried chicken. At 1:00 p.m. a skit, under the direction of Judy Greenberger, was performed. This skit characterized many of the unusual events that took place in the Seniors' three-year stay at Shaker. The distribution of Gristmills, which took place at 1:30 p.m., was followed by an autograph party. After the party, the seniors progressed to the athletic field, where they stayed until 4:00 p.m.

Principal's Message

In my opinion the 1957-58 year at the Shaker Heights High School has been a good one. Our scholastic, sports, and co-curricular activities support this opinion. We are grateful to all who have contributed to this program.

I sincerely hope each of you will have a pleasant and profitable summer.

Two Shakerites Win Coveted Scholarship

Ron Epstein

Once again Shaker has shown itself to be "tops" scholastically. Two from our midst are National Merit Scholarship winners this year.

John Dickey and John Smith were among the 16 in the county who received this highly coveted award. Besides honors, the winners will get between $100 and $1000 annually to help meet college expenses. The amount received is based solely on financial need.

Since students were chosen for their extracurricular achievements in addition to their superior scholastic ability, Shaker's two "Johns" came through with flying colors.

John Dickey, who plans to attend Amherst College to study engineering or accounting, is president of Hi-Y and a member of the Student Council. Despite this, he finds time to play varsity baseball.

Also a member of Student Council, John Smith represented Shaker at the L.E.L. Student Council Convention. A scholarship key winner and a member of the *Shakerite* staff, John plans to attend Harvard University to study for a career in industrial management or research.

These scholarships could not be possible without the National Merit Scholarship Corporation, which is sponsored by 75 American corporations. This year, out of the 256,000 youths from 13,750 high schools who took the test, 1,000 students won.

Shakerites Will Be Sight-Seeing In Distant Corners of the Globe

Greece had its Golden Age, Rome its Renaissance. Today it is the "Space Era," and many Shakerites would like to travel to the moon this summer, but are unable to find a rocket going in that direction. Our earthbound Shakerites must therefore be content to seek adventure upon their own planet.

Horace Greeley's advice, "Go West, young man," is still heeded today. **Glenn Golenberg** and **Sherry Friedman** will set out for sunny California soon after the ink is dry on the final report cards. Hold on to your hat—**Bobbie Appleman** will be off to that windy city, Chicago. Lucky **Jo Grodin** has the good fortune to be a counselor at a mountain camp in the Coloradio Rockies. **Sheila Fraigun** has taken Mr. Greeley's advice seriously. She is going west to work—the west side of town, that is!

Others will be heading east. **Jill Gerson, Barbara Herman, Kay Perlich,** and **Sandy Steuer** will spend a week of fun in a cabin in New Hampshire. Also attracted to the beauties of New England and other points throughout the East are **Carol Crowley, Richard Skall, Alice Friedman, Sunny Moss,** and **Judy Berne. Paula Bodwell** is eagerly looking forward to attending a hockey camp in Pennsylvania.

Some Shakerites are busy with passports and visas as they plan trips which will take them to those far-off lands of romance and foreign intrigue. **Gail Tukey** will join her parents in South Africa. Austria is the destination of **Laurie Osborn.** Among many Europe-bound Shakerites who will be looking and listening while foreign guides recite their spiels are **Judy Lubin, Merry Brown, Judy Kravitz, Amy Wyse, Micki Mandel** and **Polly** and **Lola Ham.**

The great open spaces and wilds of Canada call **Sally Leigh, Lois Cowan, Dick Desberg,** and **Joan Udelf.**

Hi-Y Concludes Program With Combined Picnic

The Hi-Y closed its active program for this year with the annual picnic for all sophomore, junior, and senior Hi-Y members and their dates.

At 3:30 on the afternoon of May 17, the Hi-Y group arrived at Centerville Mills Y.M.C.A. Camp. There, the events included softball games, volleyball, and hiking.

Song of Spring Soothes Shakerites

"The will of a boy is the wind's will,
And the thoughts of youth are long, long thoughts."

With Spring comes a renewal of life. At Shaker, perhaps the spirit of this season was best expressed in *The Dream*, a large-cast spectacular that united the artistic efforts of the music and dramatic groups. There was also, however, a colorful Y-Teen style show that featured the chemise, despite the anguished protests of the boys. The boys were much happier at the zestful Sharcs' Pageant, "Footnotes," where girls and boys combined in the finale for the first time. However, juniors found little pleasure in the long College Boards, and seniors waited anxiously for college acceptances.

With Spring comes a renewal of life. At Shaker, however, the arrival of Spring in 1958 brought also a dream. Spring's siren song soothed and relaxed. It was a time to dream in silence before the last great rush of activity that comes with the end of each school year. Grades undoubtedly suffered, but the time spent in dreaming was not wasted. It was then that thoughts came

"That in part are prophecies, and in part
Are longings wild and vain."

Citizenship Award Winners: Mary Jane Digiovanni, John Ferguson.

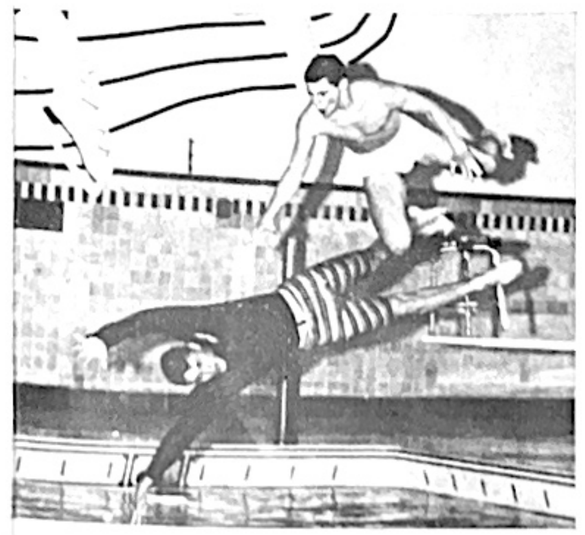
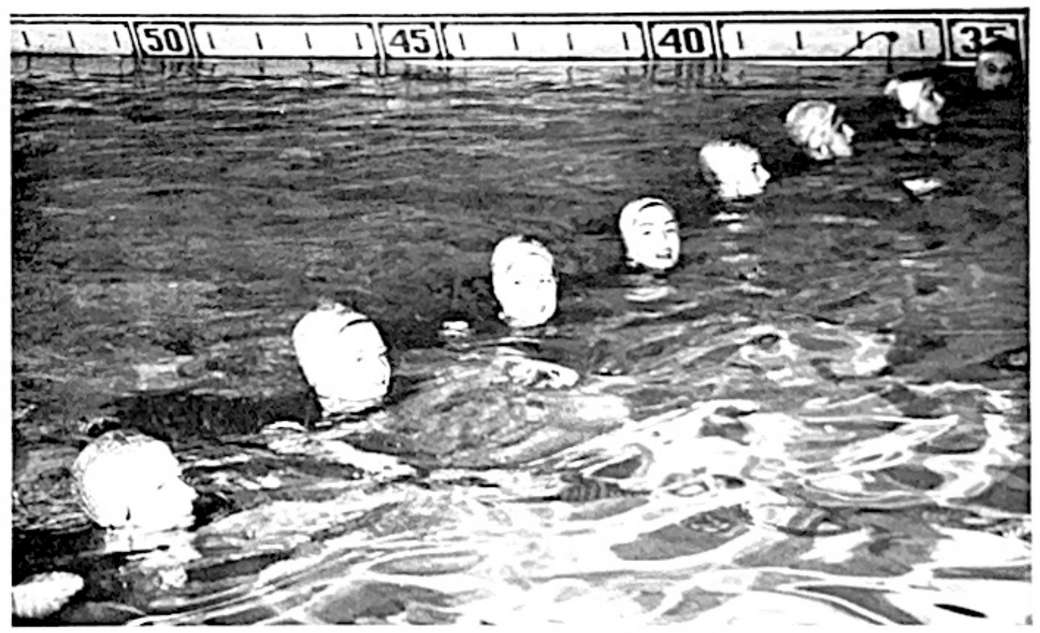
Shaker athletic teams finishes with a strong spring effort winning enough points to maintain possesion of the Lakewood - Shaker bell. The track team, triumphant in all its dual meets except one, was paced by an outstanding mile relay team. The baseball team, sparked by captain John Tomasch and exciting hurler Tom Lenhart, compiled a fair record. One of the best golf squads in recent years went undefeated throughout the season, won the east side district championship and qualified for the state tournament. The success of Shaker athletic teams convinced most onlookers that Shaker boys spend a good deal of time on other things than studies.



Thrills, spills, chills characterize new Sharcs' novelty act.

First: Chuck Frankel, Sam Driggins, Chuck Schlam, Phil Jackson, Bob Piwonka, Carl Herbold, Ken Dixon, Ed Jeffery. *Second*: Roger Aaron, Hugh Burkons, Tom Webb, Dick Balazs, Roger Goldhammer, Vic Ippolito, John Bergin, Hal Schwartz, Tom Bergin, Bob Waldo, Tom Stevens, Bill Marshall. *Third*: Coach Rice, Ward Shaw, Dick Young, Yorim Gellman, Jeff Winn, Coach Brown, Dick Silver.



Sharcs enjoy being in—up to their necks.

Cicero Class Holds Annual MayBanquet

Dave Neustadt

Three boys and nine girls in Dr. Evelyn Dilley's Cicero Latin class have found that taking four years of Latin brings many rewards not found in other classes.

On Monday, May 26, the day prior to Honor Day, the whole class, under the leadership of their teacher, Dr. Dilley, will dine in style at Damon's restaurant. This luncheon is an annual event for the Cicero class, who plan and pay for the lunch themselves.

The number of students taking four years of Latin has always been small. Among other reasons, many students who want to take this advanced course in Latin find it impossible to fit this fourth year into their schedule. In such a small class much is accomplished. The class concentrates on Cicero and devotes much time to word study and philosophy.

Dr. Dilley always invites the Cicero class to her house to celebrate Cicero's birthday during the winter and to have its final gathering at the end of the year.

Fair Weather Sought For Outdoor 'Stomp'

Weatherman, please take notice; use your best meteorological influence to hold back the rain (drizzle, thunderstorm or plain downpour) over Shaker Heights, on Saturday night, May 31.

This is the date of the annual Starlight Stomp, sponsored by next year's Student Council. It is to be held in the students' parking lot, but in case the unfavorable elements win out, the dance will be transferred to the girls' gym.

I have received so many thoughtful notes, cards, and gifts since I entered the hospital that as yet I have not been able to thank everyone personally for these kindnesses. Until I am able to thank you all personally, I would like to take this opportunity to acknowledge your thoughtfulness publicly in "The Shakerite." Thanks very much!

Newly Chosen Six Cheer Next Year

For the past few weeks, many girls anxious to prove their loyalty to Shaker and their enthusiasm for its athletic program, have been shedding pounds while learning the various cheers under the guidance of last year's cheering squad.

Departing seniors Midge Sheppard, Joyce Zucker, Peggy Leunk, Linda Levenson, Pat Tenbeau, and captain Ellen Sherby together with returning juniors Paula Bodwell, and Mary Ann Kral spent long hours coaching the prospective cheerleaders.

Those who were chosen to lead Shaker's teams on to victory next year are: Kris Borglund, Sissy Cohen, Kathy Matey, Pat Murphy, Myra Newman, and alternate Char Edwards. Paula Bodwell was chosen as next year's captain.

Nancy Stark

The Athletic Awards Tea, sponsored by the Girls' Leaders' Club, is held each year for the purpose of honoring the sophomore, junior, and senior girls who deserve awards for participation in athletics.

The merit which these girls receive is determined by the point system. Under this system, a girl receives a letter when she has accumulated a total of 400 points, a key when she has accumulated 800 points, and a cup if she reaches 1200 points.

The letter winers are as follows: Paula Bodwell, Mary Baldwin, Kris Borglund, Bonnie Cobert, Karen Dolch, Pat Faragher, Carol Friedman, Betsy Gunn, Hilary Hartman, Joan Hober, Marcia Horak, Cathy Kahn, Virginia Inglis, Betsy Jones, Peggy Kennedy, Nancy Stark, Diane Mansfield, Lynn Metzger, Barb Nicola, Judy Peterka, Marilyn Sanson, Rosanne Sansone, Laurie Semple, Midge Sheppard, Harriet Slater, Marnie Stage, Judy Stetzel, Irene Stifel, Carol Storms, Janet Techmyer, Jane Williams, Susan Griswold, Busy Boorse, Pam Patton, Diane Mapes, Mary Kral, Nancy Busbaum, Judy Forward, Lola Ham, Linda Nocar, Anita Smith, Ferne Rogoff, and Char Edwards.

Shaker Students Participate In Civil Defense Program

"Raging waters swept the coast and the waves carried a burden of bits of houses and cars. The flood caused millions of dollars of damage and the loss of many lives."

Although this is not a current event in Shaker, it could be a possible future event. For that reason Civil Defense is an important peace-time organization.

Bob Seckel, a junior at Shaker, is the Student Director of Civil Defense for Shaker Heights. He and 11 other members of Shaker's student body are active members of this group.

The other boys who can boast of having Civil Defense badges are: Tom Deoma, Bruce Harringshaw, Stuart Kelly, Pete Machamer, Bruce Powell, Tom Burton, John Ulrich, Tom Webb, and Pete Brown.

The work of these Civil Defense members consists of zoning Shaker Heights, becoming acquainted with those who live in the respective zones, and finding out where the inhabitants could be found in time of disaster.

Junior Robert Seckel is active as Student Director of Civil Defense.

At the present time a Civil Defense Membership Drive is being conducted.

Anyone interested in joining should contact Bob Seckel in Home Room 111 for information.

Teachers Leaving, Pupils Grieving

Janet Green

The halls of Shaker will certainly miss a few of their old friends next year. Leaving along with the senior class are three of our teachers. With a sad "au revoir" Shakerites say farewell to three faculty members.

Mrs. Ruth S. Sacha has been with us since Shaker High was a new building. She is retiring and, along with her husband, plans to move to Florida. There they hope to build their own home and spend the reminder of their lives.

Mr. Richard Kuechle and Mrs. Sue Kenny are also leaving. Mr. Kuechle will teach in a U.S. Army Dependants' School in Germany. His students will be the children of American officers stationed there. He also intends to travel, but his plans are still indefinite. However, we hope to see Mr. Kuechle once again at Shaker.

The Spectator

By Larry Kahn

As Coach Ed Stoch and many others expected, the Red Raider golf squad captured the District Tournament played May 16 at Highland Park. They grabbed top honors in the event by the tremendous margin of 20 strokes.

The Shaker four had an aggregate of 313—an average of 78.25 strokes per man. Ashtabula Harbor was runner-up with a total of 333 and Willoughby High was third at 339.

With this writer handling the sticks, Bob Roth led the field as he shot a brilliant 76. He had a blazing 37 on the first and most difficult nine, and added a steady 39 on the second nine. He faltered only once as he took three putts for a double-bogey six on the long seventeenth, but fought back with a par four on the difficult eighteenth. Wayne Burge of St. Joseph also carded 76, but Roth won medalist honors as he defeated Burge with a par on the second sudden-death playoff hole.

Dale Huge followed Roth with a 77. Huge, who recovered from a water hazard penalty on the first hole to card a 38 on the front nine, had an excellent chance to top the field until he took seven blows on the seventeenth—three over par. Huge was runner-up for the same event in 1957 when he carded 78—one stroke off the pace.

Dave Jacobson and Grant Kloppman had some trouble, but both managed to score respectable 80's. Jacobson hit the creek on the first hole yet toured that nine in 40. He played well on the second nine, needing a par four on the eighteenth for 77; however, he coupled another creek penalty with a three-putt green for a seven on the hole and 80 for the day. The tale was slightly different for Kloppman. Grant, with his Ben Hogan practice sessions that take up the majority of his free daylight hours, has developed a grooved swing and subsequently a steady game. Unfortunately, as Hogan himself has said, golf is made up of two quite separate parts—one played in the air and the other played on the ground. The part on terra firma is the one at which both Hogan and Kloppman are poor, and that very part is the reason that Kloppman's card showed 80 instead of a score in the seventies. Anyway, Shaker goes into the State Tournament at Columbus with high hopes of capturing the state crown. This writer, for one, says that they will do it. Team spirit prevails with those four lads, but a keen eye will tell anyone that each one of them is slightly conscious of the individual state championship that is just aching to be copped by a Raider. After all, someone has to win it.

Odds and Ends

Condolences to Coach Pickering's netters, who are not used to bowing out in the spring league. They were bidding for their fourth consecutive victory until University School stopped them.

Congrats to Al Ganim and John Goetz for qualifying in the state tennis tournament held in Columbus. They were runners-up in the district as a doubles team.

Glenn Golenberg will again spend his summer nights at Onaway. Mike Wolland will attempt to develop some new dives this summer and is aiming at top diving honors in the various important events in 1959.

Chuck Ratner will definitely help his state title chances for 1959 by continuing his wrestling this summer in his South Woodland quarters.

Cheers to Paula Bodwell, who will lead one of our most popular squads—the sprightly and sightly cheerleaders. Mary Kral, Kathy Matey, Kris Borglund, Patsy Murphy, Myra Newman, Sissy Cohen, and Char Edwards round out the squad.

Sales Campaign Aids All Shaker's Sports

The Football Ticket Sales, whose deadline had been extended one week, ended with receipts for 864 season tickets. Lasting from April 25 to May 9, the fund drive emphasized that the sale supports all sports.

"We would like to say 'Thanks' to the student body for its cooperation," Fred Heinlen, Athletic Director, commented. "To sell 864 meant that a lot of students had to sell tickets. We are still hoping to surpass last year's total of 911."

Highlights of the ticket sale included a kick-off assembly, letters sent to parents by the Dads' Club, and a special door to door campaign on Saturday, May 3. Students were invited to ring the Lakewood Bell each time they sold a ticket.

The South, Maple Heights, Lakewood, and Garfield home games, and the Heights and Shaw games away are being sponsored by this year's sale.

Ricemen Capture Five of Six Dual Meets, Regain Hilltop Crown

By Dick Bell

The Red Raider track team, captained by Bob Piwonka and Phil Jackson and coached by Bob Rice, rounded out their 1958 season by defeating Parma, suffering their first dual meet loss at the hands of Euclid, capturing a third in the Euclid Relays, and placing their track mile relay team for the state track meet.

The tracksters captured eleven of the fourteen first places as they soundly trounced the Parma Redmen, 85-34. Phil Jackson, Shaker's ace timber-topper, was a double winner, racing the high hurdles in 15.7 seconds and the low hurdles in 22.2 seconds. Vic Ippolito was victorious in the 100-yard dash in 10.4 seconds as Ed Jeffery and Chuck Schlam placed second and third. Buck Ellsworth won the mile as did Tom Bergin in the 880. Bob Piwonka garnered a first place in the 440 in 53.8 seconds and sophomore John Foster won the 180-yard dash in 20.0 seconds. Both relay teams were victorious; the 880-yard relay team of Tom Stevens, Dave Dunn, John Foster and Sam Driggins and the mile relay quartet of Driggins, Stevens, Hal Schwartz and Ed Jeffery. In the field events, Jim Slavin's 141-foot toss won the discus, and the Red Raider threesome of Ippolito, Schlam, and Stevens swept the broad jump.

Although they won only two events, the track team managed to gain a third place in the Euclid

The five boys who made up Shaker High's crack mile relay team this spring are Tom Bergin, Ed Jeffery, Bob Piwonka, Sammy Driggins, and Hal Schwartz.

Relays, finishing behind Brush and the host school. The mile relay team of Driggins, Schwartz, Jeffery and Bergin were victorious, setting a new meet record in the time of 3:31.0. The discus relay team of Slavin, Yoram Gelman, and sophomore Roger Aaron captured their event.

The Red Raiders dropped their first dual meet of the season to the Euclid Panthers, 70-48, thereby closing the dual meet season with an impressive 5-1 record. Phil Jackson and Dick Balazs finished first and second in the high hurdles. Carl Herbold churned the mile in 4:52 for a first place. Ed Jeffery captured the 440 in 51.4 seconds, while Shaker's Bob Piwonka finished second. Jim Slavin won his specialty, tossing the discus 133 feet 7 inches while Ippolito leaped 19 feet 9 inches for a first in the broad jump and 5 feet 8 inches to tie for first in the high jump.

In a thrilling race, the mile relay quartet of Driggins, Bergin, Piwonka and Jeffery set a new school record as they finished two-tenths of a second behind Glenville at the District Meet in the time of 3:25.8. This placing qualified the team for the State Meet at Columbus. The Red Raiders moved from third to first place on a baton pass from Bergin to Piwonka, only to be overtaken at the finish line.

Hilltop Diamond Rivals Fall To Bo Schneider and Lenhart

The Red Raider baseball squad came out of consecutive games against University School, Euclid, Shaw, and Cleveland Heights with a .500 percentage. Shaker was downed by Shaw and Euclid, but conquered the U. S. and Heights squads.

Shaker's nine visited the University School diamond on Saturday, May 10, for a tilt with the Preppers. Big Bowman Schneider, sophomore southpaw, won his first varsity starting assignment by a score of 4-3. It was a colorful and unusual victory as Ron Rudolph stole home to break the tie and win the game.

Veteran Tom Lenhart set out the following Monday to tame the Euclid Panthers, current L. E. L. champions. Lenhart allowed only one run for the first three frames, but the fourth inning found Euclid pounding five runs home. The Raiders attempted to come back, but failed after scoring three men. The Panthers finished on the top of a final tally, 8-3.

Bob Heckman of Shaw stopped Shaker on Thursday, May 15, with a masterful display of pitching. He allowed only one Raider hit—by sophomore Ken Lapine—and won the game by a 3-2 score. Robbi Cox started the game for Shaker but was relieved early by Lenhart, who completed the game.

The Raiders edged their arch rivals, Cleveland Heights, by a score of 5-4 on Monday, May 19. Heights drew first blood with a run in the top of the first. Shaker promptly pulled ahead with two runs in the bottom of the second. The Tigers' Carl Beigie drove in two runs in the third inning with a booming triple and a run in the sixth with a single. Shaker scored one run in both the third and sixth frames, the score being 4-4 going into the seventh and last inning. Heights failed to score in their half, so it was up to Shaker to ice the game. It was an old but still dramatic story as three Shaker men were on base with two away and John Dickey at the plate. The pressure was on the Tiger hurler; Dickey walked, Bill Rupp strode home, and the game ended.

Ganim, Goetz Qualify For Columbus Tourney

A perennially powerful U. S. tennis team ruined Shaker's bid for the Greater Cleveland Conference Title Tuesday, May 13, as they squeezed out a 3-2 victory over the Raider racquetmen on the Preppers' courts. Steve Hrones at third singles, and Dick Morris and Gary Schwartz playing first doubles, took their matches but University School dominated the rest of the action.

Although Shaker lost an important match to U. S., the rest of its season was a success. Coach Pickering's boys swept over Brush and Shaw 4-1, vanquished Gilmour Academy 5-0, and edged Heights 3-2 before losing to the highly touted Preppers, giving them a 4-1 record for the spring season. Members of this year's varsity team have been: Alan Ganim, Jack Goetz, Steve Hrones, and Dave Nagusky vying for the singles' positions; and Gary Schwartz, Dick Morris, Dennis Crumbine, Al Shroyer, Bill Oviatt, and Jules Koach making up Shaker's top-notch doubles teams.

Saturday, May 17, Shroyer, Crumbine, Schwartz, Nagusky, Ganim and Goetz represented Shaker at the district meet held on the Crescent Avenue courts. Ganim and Goetz were runners-up in the doubles competition and therefore earned the right to go to Columbus, May 23 and 24, for the state meet.
